

Queensland enjoys arguably the best instrumental music programme in the country. Take advantage of the unique opportunity your child has to get stuck into their music by expanding their musical experiences.

“Success in our children’s world will require confidence and abilities that instrumental music students learn every time they perform in a band.”

BAYSIDE YOUTH BAND

ABOUT US

Developed especially for local music students, Bayside Youth Band is sponsored by the Queensland Services Heritage Band Association, allowing your child to really get stuck into their music with the support & inspiration of one of the Bayside's best community bands.

To really get the most out of their instrumental music experience, your child should have as many performance opportunities as possible. By being part of the Bayside Youth Band, they will:

- Develop confidence through public performance;
- Expand their repertoire;
- Make new friends;
- Excel in team work; and
- Increase the productivity of their school based instrumental music programme.
